Century House Celebration

Is your Oak Bay home a century or older? You can order a *Century House* plaque with your home's date of construction

Send your request to heritageoakbay@gmail.com with the subject line *Century Plaque*, with your name, the address of your home, and the date of construction.

The Foundation will confirm the date through the *Oak Bay Archives* and will provide copies of material relevant to your home with the plaque. This historical marker will serve as an official recognition of your home's contribution to the heritage of Oak Bay.

The cost is \$125; cheque payable to *The Oak Bay Heritage Foundation*.
