*[Note: Temporary Use Permits are not presently authorized by the District’s Official Community Plan.]*
- c) for:
  - i) a Phased Development Agreement;
  - ii) an Heritage Revitalization Agreement; and

- iii) a modification or discharge of a Covenant or other Charge registered under *the Land Title Act* in favour of the **District**.

## 4. APPLICATION PROCEDURES & REQUIREMENTS

### 4.1 General Procedures for all Applications

- a) Procedures under which an **Owner** may apply for an amendment to the **Official Community Plan** or the **Zoning Bylaw**, or both, are set out in Schedule A.
- b) Procedures under which an **Owner** may apply for a Heritage Revitalization Agreement or Phased Development Agreement are set out in Schedule B.
- c) Procedures under which an **Owner** may apply for a Development Permit, Development Permit with Variances or **Uplands Siting and Design Approval** are set out in Schedule C.
- d) Procedures under which an **Owner** may apply for a Heritage Alteration Permit are set out in Schedule D.
- e) Procedures under which an **Owner** may apply for a Development Variance Permit are set out in Schedule E.
- f) Applications for other approvals and agreements related to development shall be made to the **Director**, and provide information reasonably required by the **Director** to process such applications in compliance with statutory requirements and, where necessary, seek Council's approval.

### 4.2 General Requirements for all Applications

In addition to **Application** requirements and procedures found in Schedules A, B, C, D, and E of this bylaw, which are incorporated into and form part of this Bylaw, the following are required for all **Applications**:

- a) An **Application** shall be made to the **Director** and shall be executed in writing by the **Owner(s)** of the **Site** that is the subject to the **Application**.
- b) If there is a change of ownership of a **Site** that is the subject to an existing **Application**, the **Applicant** must promptly provide an updated title certificate and written authorization from the new **Owner**, and the **Director** may delay proceeding further with the **Application** until this information and authorization is provided.
- c) An **Application** shall:
  - i) be submitted to the **Director** in the form prescribed by the **Director**, which shall be made available on the **District's** website, and
  - ii) include all information required by the form and the **Director** pursuant to this Bylaw; and
  - iii) be accompanied by all relevant fees (e.g. application, legal, public hearing, etc.), as outlined in the **Planning, Building and Development Fees and Charges Bylaw**, made payable to the **District**.

### 4.3 Incomplete and Renewed Applications

- a) If an incomplete **Application** is submitted, the **Application** shall not be considered to be accepted until the **Director** advises it will be processed. If the **Director** refuses to process an **Application**, the **Director** will inform the **Applicant**, verbally or in writing, what is required for the **Application** to be considered complete.
- b) An **Application** that has been substantially inactive or incomplete for a period of 180 days, as determined by the **Director**, will be considered as abandoned, such **Application** will be closed following 30 days written notice. The **Director** may consider a written request from the **Applicant** for extension of the time frames imposed by this section provided such request is made before the **Application** is closed.
- c) If an **Application** has been closed, the **Applicant** must, even if the new **Application** is substantially the same as the closed Application, begin the **Application** process again in accordance with this Bylaw and submit a new complete **Application** and fees.

### 4.4 Re-application following Refusal

- a) Where an **Application** that has been refused by Council or a delegated decision making authority, re-application shall not be permitted for a period of six (6) months immediately following the date of refusal, except as permitted pursuant to the provisions of the *Local Government Act*.
- b) A re-application is considered a new application and additional fees apply.
- c) Revised **Applications** that are, in the opinion of the **Director**, significantly different from an **Application** that has been refused can be accepted for consideration immediately as a new **Application** subject to satisfying all the requirements of this Bylaw anew.

### 4.5 Applications requiring a Professional

Where a development proposal indicates a building that meets one or more of the following criteria, all building plans, elevations and floor plans must be completed by a registered architect and/or engineer in good standing and licensed to practice in British Columbia, in accordance with and subject to compliance with provincial legislation:

- a) The building footprint exceeds 600m<sup>2</sup>;
- b) The building height exceeds three (3) storeys;
- c) The building is used for Assembly Occupancies, including but not limited to assembly uses, eating establishments, educational facilities, recreational facilities and theatres;
- d) The building is used for Care and Detention Occupancies, this includes, but is not limited to, care facilities, hospitals, prisons;
- e) a mixed-use building that has a gross area of 470 m<sup>2</sup> or more and that has one or more dwelling units;
- f) The building requires firewalls as provided for in the BC Building Code with a common egress system for occupants; or
- g) The building contains five (5) residential units or greater in accordance with the *Professional Governance Act Architects Regulation, BC Reg 33/2023*

## 5. PUBLIC NOTIFICATION & CONSULTATION

### 5.1 Public Notification by the District

- a) In accordance with the *Local Government Act*, the distance specified for Notice from the **District** is 50 metres from the legal boundaries of the **Site** subject to an **Application**.
- b) The **Director** may be required to give additional notification by unanimous vote of the Council present.

### 5.2 Applicant Public Information Meetings

#### 5.2.1 Applicant Public Information Meeting Requirement

- a) The **Owner** must hold a public information meeting prior to **Council** considering an **Application** for an **Official Community Plan** amendment, **Heritage Revitalization Agreement** or **Phased Development Agreement** in order to provide an additional opportunity for the public to access information and to enquire about the **Application**.
- b) The **Director** may require the **Owner** to hold a public information meeting prior to **Council** considering an **Application** for a **Zoning Bylaw** amendment in order to provide an additional opportunity for the public to access information and to enquire about the **Application**.

#### 5.2.2. Applicant Public Information Meeting Standards

If a public information meeting is required, it is the **Owner's** responsibility to arrange and conduct the meeting to the satisfaction of the **District** and principles of procedural fairness, including according to the following standards:

- a) Notice of the location, time and duration of a public information meeting shall be given in accordance with the intent to provide a reasonable opportunity for the public to access information and to enquire thoroughly about the proposal. Where possible, the meeting should be held in the area most impacted by the proposal.
- b) Prior to initial consideration of the **Application** by **Council**, the **Applicant** shall submit to **District** staff a report summarizing the public information meeting and provide, at a minimum, a general summary of the public information meeting outlining any discussions and issues raised by those attending that includes responses to the following questions:
  - i) Where was the meeting held?
  - ii) At what time and for what duration was the meeting held?
  - iii) How many people attended the meeting?
  - iv) How was the meeting advertised?
  - v) How were surrounding property owners notified of the meeting?
  - vi) What information was provided at the meeting?

### 5.3 Public Notification Sign by the Applicant.

- a) The **Applicant** is required, at its own cost, to post a development notification sign in accordance with the requirements and specifications identified in Schedule F for an Application for an **Official Community Plan** amendment, **Zoning Bylaw** amendment, Heritage Revitalization Agreement or Phased Development Agreement
- b) Failure to post a required development notification sign in accordance with this bylaw and its Schedules may result in the postponement of consideration of the **Application** by Council, and all costs incurred by the **District** for public notification as a result of such postponement will be the responsibility of the **Applicant**.

### 5.4 Additional Referral Process

- a) Council may at any time in any application process require that an **Application** be referred to any **Commission**, internal staff or external agency for review, information and comment that Council considers appropriate.
- b) Such additional referral does not constrain Council in its decision-making process or require it to await comments from the referred party.

## 6. DELEGATION OF AUTHORITY

### 6.1 Pursuant to the *Local Government Act*, **Council** delegates to the **Director** the duties and powers of Council as follows:

- i) To establish and revise **Application** forms applicable to this Bylaw;
- ii) To establish and revise the forms of permit applicable to this Bylaw (noting the forms included in the Schedules are for convenience and may be updated without amendment of this Bylaw);
- iii) To determine whether to waive, in consideration of the type and magnitude of the **Application**:
  - a. the requirement for a Surveyors Certificate prepared by a BC Land Surveyor;
  - b. the level of detail required for **Site** Plans required with Applications;
- iv) To determine whether a Public Information Meeting is required as per Section 5.2. of this Bylaw;
- v) To require Development Approval Information as per Section 7 of this Bylaw.
- vi) To determine whether to require additional information to be submitted with an **Application**, in consideration of the type and magnitude of the Application;
- vii) To determine information requirements and procedures for other applications for approvals or agreements, related to development, not explicitly outlined in this Bylaw.

- viii) To determine whether to refer an **Application** to any of the **District's Commissions** for review, information and comment in accordance with the relevant **Commission Bylaw**, or to promptly direct the **Application** to Council without referral;
- ix) To determine whether and what additional information may be required on the Applicant's Public Notification Signage;
- x) To determine and provide Notice of First Reading in accordance with section 467 of the *Local Government Act*, and to prepare a zoning amendment bylaw for consideration by Council for **Zoning Bylaw** amendment applications that do not require a Public Hearing;
- xi) To determine whether and when to give notice for Development Variance Permits, subject to compliance with the *Local Government Act*.
- xii) To require security as a pre-condition or as a condition of the issuance of a Development Permit, **Uplands Siting and Design Approval** or Heritage Alteration Permit, noting the following guidelines:
  - a. For landscaping security, see Schedule G;
  - b. In addition to other security, the **Director** may require that the Applicant provide security in an amount equal to 125% of the cost of work that the **Director** reasonably considers may be required, in view of the scale and nature of the development being authorized, the nature of the **Site**, and the cost to the District of undertaking the work to correct an unsafe condition that could result from the contravention of a condition of the permit, including the cost of repairing any damage to land and improvements that may have been caused by the unsafe condition or that may have occurred in connection with the repair work;
  - c. In addition to other security, the **Director** may require that the Applicant provide security in an amount equal to 125% of the cost of work that the **Director** reasonably considers may be required, in view of the scale and nature of the development being authorized and the nature of the site, and the cost to the District of restoring or enhancing the natural environment to compensate for and correct damage to the environment that could result from the contravention of a condition of the permit;
  - d. In addition to other security, for a Heritage Alteration Permit, the **Director** may require additional security in an amount equal to 125% of a complete construction cost estimate for the work proposed to be undertaken under the HAP, in accordance with section 618 of the *Local Government Act* [to guarantee the performance of the terms, requirements and conditions of the permit], from a **Qualified Professional**.
  - e. When security is required, the **Owner** shall provide the security before undertaking any activity authorized by the permit, and:
    - i. when required as a pre-condition to a permit, before the Director signs and issues the permit; or
    - ii. when required as a condition of a permit, or incorporated into the terms of the permit, before receiving a building permit (failure to do so being cause to revoke such permit).

- xiii) For an **OCP Amendment**, to determine whether and what level of consultation is required with the government agencies, First Nations and other bodies listed in section 475(2)(b) of the *Local Government Act*.
- xiv) In order to avoid a permit lapsing, to approve or deny a written request for one extension up to twelve (12) months to an issued Development Permit, Development Variance Permit, Heritage Alteration Permit, or an **Uplands Siting and Design Approval** provided no change in the issued permit is proposed and provided there have been no material changes in the applicable guidelines. Any change to a permit or further extension of a permit will require a new **Application**.
- xv) To approve or deny a written request for minor amendments (as considered by the **Director**) to issued Development Permits, Heritage Alteration Permits or **Uplands Siting and Design Approvals**.

**6.2** Where this bylaw delegates a power, duty or function, the delegation is also to the person who holds the deputy of that position when the **Director** is not available.

**6.3** A person to whom a power, duty or function has been delegated has no authority to further delegate to another person any power, duty or function that has been delegated by this bylaw.

## **7. AUTHORIZATION TO REQUIRE DEVELOPMENT APPROVAL INFORMATION**

- a) In accordance with the **OCP** that specifies circumstances or designates areas where “development approval information” may be required, the **Director** is authorized to require in writing that the **Applicant** provide development approval information in a report that is certified by a **Qualified Professional** that:
  - i) complies with and fully addresses term of reference which are provided by the **Director** in accordance with Section 7(b).
  - ii) identifies and defines the context, interaction, scope, magnitude and significance of the anticipated impacts of the activity or development on the community, as well as the data and methodological accuracy, assumptions, uncertainties, acceptability thresholds, and how the anticipated impacts may cumulatively contribute to existing risks, stressors, and threats;
  - iii) provides recommendations for conditions or requirements Council or the **Director** may impose to mitigate or ameliorate the anticipated impacts identified; and
  - iv) provides recommendations and details costs for modifications to the environment, or construction of works, required to mitigate or ameliorate the anticipated impacts.
- b) The **Director** may require the **Applicant** to provide information on, and a systematic detailed assessment of:
  - i) compliance of the activity or development with
    1. the **Official Community Plan**
    2. Regional Growth Strategy of the Capital Regional District
    3. and any other relevant **District** bylaw, plan or policy in preparation or adopted by Council;

- ii) compatibility with adjacent and community land uses, functions, form, character, aesthetics and scale of development;
- iii) socio-economic impacts affecting the day to day quality of life of people and communities, including direct and indirect economic impacts, demographics, housing, housing impacts including tenant relocation assistance, local services and socio-cultural issues;
- iv) land use impacts such as noise, vibration, glare and electrical interference;
- v) landscape and visual impacts including their nature, significance and magnitude and including impacts on view corridors and shadows, visual envelope, prominent features, experiential characteristics, and landscape character;
- vi) transportation demand management strategies, including, but not limited to transportation impacts, public transit service and requirements, parking demand, traffic safety, pedestrian, cyclist and vehicular traffic flow or operation, trip generation, **Site** access and egress, access network connectivity and accessibility;
- vii) retail trade impacts of a proposed commercial development, including but not limited to, the effects of additional competition, the effects on commercial vacancy rates, and the impacts to neighbourhood/sector stability;
- viii) air quality impacts including, but not limited to, pollution, dust, fumes, smoke and odours;
- ix) impacts to ground and surface water quality including, but not limited to, pollution, temperature, oxygen levels, acidity, nutrients, silts, and pathogens;
- x) geotechnical conditions including, but not limited to, soil composition, profile, classification, agricultural suitability and capability, geologic process and terrain stability;
- xi) hydrological and/or hydrogeological assessment including, but not limited to, infiltration, interception, groundwater and overland flow, as well as hydrologic processes including accretion and erosion;
- xii) terrestrial and aquatic ecology including, but not limited to, biological diversity, impacts to flora and fauna, habitat size, complexity, fragmentation or isolation, change to suitability or capability, restoration, creation or enhancement;
- xiii) historical, heritage, cultural and archaeological buildings, sites or assets;
- xiv) the phasing and timing of the activity or development;
- xv) hazardous conditions including, but not limited to, mud flow, debris torrents, erosion, land slip, rock falls, subsidence, avalanche, wildfire, flood, storm surge, and inundation (including appropriate construction elevations and setbacks or other hazard);
- xvi) compatibility of the activity or project with adjacent **District** owned land, rights of way, covenants and easements;
- xvii) Local infrastructure and site servicing including, but not limited to, drainage, rainwater management, water, sewer and other utilities.
- xviii) community facilities and services including, but not limited to, schools, parks, recreation, emergency protective and health services;
- xix) climate change impacts including energy and green house gas emission impacts and
- xx) any other topic in relation to which the **Director** considers the proposed activity or development impacts the jurisdiction of the **District**.

- c) Where applicable, an assessment required under this section must make recommendations on measures to mitigate and to compensate for any impacts identified.
- d) The **District** may distribute a report and publicize the results of a report provided under this Section in accordance with the *Freedom of Information and Protection of Privacy Act*, and every report provided must contain an express grant of permission acknowledging this and allowing the District to use and reproduce it for non-commercial purposes.
- e) The **Director** will, when imposing requirements under this Section, advise the **Applicant** of their right to reconsideration under Section 8 of this Bylaw.

## 8. RECONSIDERATION

- a) **Applicant's Right to request Reconsideration:** If the **Applicant** objects with the **Director's** decision under this Bylaw, and is entitled to a right of reconsideration in accordance with the *Local Government Act*, an **Applicant** may request that Council reconsider the decision of the **Director** in accordance with the provisions for reconsideration set out in this Section.
- b) **Time limit for Reconsideration:** Within 20 days of being notified in writing of a decision of the **Director**, the **Applicant** may apply to the Corporate Administrator to have Council reconsider a decision of the **Director**.
- c) **Applicant's Reasons:** The Applicant must in writing identify brief reasons in support of their request for reconsideration and a copy of any materials relevant to the reconsideration.
- d) **Notice of Reconsideration:** The Corporate Administrator must give the applicant at least 10 days' notice of the time and place of Council's reconsideration, and of the applicant's right to appear before Council to make representations concerning the application.
- e) **Representation to Council:** The **Applicant** may make oral or written submission to Council and may appoint a representative to make representation.
- f) **Council's Authority:** Council may either confirm the decision made by the **Director** or substitute its own decision.

## 9. FEES

The payment of **Application** fees by an **Applicant** is governed by the **Planning, Building and Development Fees and Charges Bylaw No. 4845, 2023**

**10. SUSPENSION**

  - iii) Significant physical features and topographic information, and all existing watercourses and wetlands, and all Sensitive Ecosystem Information;
  - iv) North arrow and drawing scales;
  - v) Dimensions for all elevations and site plans;
  - vi) Geodetic elevation;
  - vii) Details of proposed uses and buildings, including type and location of units;
  - viii) Roads, existing and/or proposed; and
  - ix) Open space.
  - x) Zoning Data Table
- f) Completed 'Site Disclosure Statement', as per the *Local Government Act and Environmental Management Act*, for the Site, or identification of the applicable exemption in accordance with the *Contaminated Sites Regulation*.
- g) Additional information as may be required by the **Director**, including in accordance with Section 6 and 7 of this Bylaw and in accordance with policies contained within the District's **Official Community Plan (OCP)**.

#### A2. PROCESSING PROCEDURE

The following typical procedure is generally intended to be chronological but does not preclude concurrent or repeated steps, as best determined by the **Director** in accordance with statutory and bylaw requirements, Council priorities and policies, the type and magnitude of the **Application**, and staffing considerations:

- a) Pre-Application meetings between **Owner** and Planning Staff are encouraged.
- b) **Owner** submits complete **Application** and fees to **District** Staff. Processing will not commence until all the **application** requirements are met and accepted by the Director. Staff will advise if the **Application** will not be processed and the **Applicant** will have the opportunity to complete the **Application**.
- c) Staff will provide the design of the required development notification sign notice sign to the **Applicant**, mapping of the area required for notification of the Neighbourhood Public Meeting, and mailing labels if requested.
- d) The **Applicant** shall:
  - i) install the Development Notification Sign in accordance with Section 5.3 and Schedule F;
  - ii) hold a Public Information Meeting in the District in accordance with Section 5.2 of this Bylaw;
  - iii) report to the **Director** in writing on the Development Notification Sign and the Public Information Meeting.
- e) The **Director** shall consider whether to exercise their delegated authority to require Development Approval Information in accordance with Section 7, and the **Applicant** shall provide such information if requested.
- f) Staff refer the **Application** to internal departments for their review and comment.
- g) Staff send the **Applicant** a Development Review Team (DRT) letter outlining **District** staff's comments on the **Application** and proposal and where necessary outlining the changes to the **Application** and proposal that may be needed for consistency with **District** Policies and Bylaws.
- h) **Applicant** submits revisions to the **Application** where necessary including any revised plans.
- i) Staff prepares a report for the relevant **Commission** as applicable. The **Applicant** is invited to attend any meeting where the **application** is being considered.
- j) If the *Local Government Act* does not require a Public Hearing, and a zoning amendment bylaw has been prepared for consideration by Council, Staff may prepare and give Notice of First Reading in accordance with section 467 of the *Local Government Act*.
- k) Staff prepares a report for Council outlining the **Application** and presenting the proposed bylaws and which may include:
  - i) the results of the Public Information Meeting;
  - ii) the recommendation(s) from the **Commission** as applicable;

- iii) recommendations regarding first and second readings on the proposed amending bylaw(s);
  - iv) if the **Application** includes an amendment to the **Official Community Plan**, the list of government agencies that might be affected by the proposal and information regarding the opportunities for consultation with one or more of the persons, organizations and authorities and whether it should be early and ongoing for Council's consideration; and
  - v) scheduling of the Public Hearing, if required.
- l) Council may, upon considering the **Application**, request additional information, give first and/or second readings to the amending bylaw, or may refer, table, or deny the **Application**.
- m) Staff schedules the Public Hearing, if required by the *Local Government Act* or if requested by Council, and provides statutory notification and advertising, produces an agenda for the Public Hearing and distributes to Council.
- n) District holds the Public Hearing, if required.
- o) Following the Public Hearing(s) (or second reading where no hearing is required or held) Council, may without further notice, give the amending bylaw(s) third reading or may refer, table, or deny the **Application**. Council may, but is not required to consider adoption of an amending bylaw on the same night as third reading.
- p) Staff prepares a report for adoption of the bylaw(s). If all conditions of third reading have been met, the bylaw(s) shall be considered for adoption.
- q) Where an amending bylaw is only given third reading, Staff prepares a report for adoption of the bylaw(s). If all conditions of third reading have been met including registering of legal agreements, the bylaw(s) may then be forwarded to Council and be considered for adoption.
- r) The **Applicant** is notified within 10 days of Council's decision.

  - v) A cost estimate of completing any required landscape plan as per Schedule G
- i) Additional information as may be required by the **Director**, including in accordance with Section 6 and 7 of this Bylaw.

## **C2. PROCESSING PROCEDURE**

The following typical procedure is generally intended to be chronological but does not preclude concurrent or repeated steps, as best determined by the **Director** in accordance with statutory and bylaw requirements, Council priorities and policies, the type and magnitude of the Application, and staffing considerations:

- a) Pre-Application meetings between **Owner** and Planning Staff are encouraged.
- b) **Owner** submits complete application and fees to staff. Processing will not commence until all the **Application** requirements are met and accepted by the **Director**. Staff will advise if the **Application** will not be processed and the **Applicant** will have the opportunity to complete the **Application**.
- c) The **Director** shall consider whether to exercise their delegated authority to require Development Approval Information in accordance with Section 7, and the **Applicant** shall provide such information if requested.
- d) Staff refer the **Application** to internal departments for their review and comment.
- e) Staff send the **Applicant** a Development Review Team (DRT) letter outlining the **District Staff's** comments on the **Application** and proposal. Staff may recommend the changes to the **Application** and proposal that may be needed for consistency with District Policies and Bylaws.
- f) **Applicant** submits revisions to the **Application** where necessary including any revised plans.
- g) Staff prepares a report for the relevant **Commission** as applicable. The **Applicant** is invited to attend any meeting where the application is being considered.

- h) If decision making is delegated, the **Director** will proceed with their consideration of the **Application**. If the **Applicant** is not satisfied with that decision, they may seek reconsideration by Council in accordance with this Bylaw.
- i) If decision making is not delegated or if the **Applicant** seeks reconsideration, Staff prepares a report for Council which may include:
  - i) the Application and reports and plans provided by the **Applicant**;
  - ii) Staff's summary;
  - iii) the recommendation(s) from the **Commission** as applicable;
  - iv) applicable Development Permit information including guidelines;
  - v) recommendations regarding issuance of the Permit;
  - vi) copy of proposed Permit (which may be in draft form).
- j) Council may, upon considering the **Application**, request additional information, refer, table, approve or deny the permit.
- k) The **Applicant** is notified within 10 days of Council's decision.
- l) If Council authorizes the issuance of a permit, the **Director** will complete the **permit** and sign and issue it to the **Owner**, on satisfaction of pre-conditions to issuance that may have been required by Council, if any.
- m) If Council denies the permit, Council will give reasons consistent with the guidelines and allow the **applicant** to change the application to meet Council's interpretation of the guidelines. If a permit is denied for non-compliance with zoning regulations, Staff need only identify the bylaw non-compliance.
- n) Council or the **Director** may require security as a pre-condition to staff signing and issuing the permit, in accordance with this Bylaw, and the Applicant shall provide the Security as: automatically renewing irrevocable letter of credit, bank draft or cash. Otherwise, security is paid by the Applicant before undertaking any activity authorized by the permit, or applying for a building permit.
- o) After Council approval, **Applicant** satisfies any pre-conditions to issuance by Staff. On satisfaction of pre-conditions, staff sign and issue the permit.
- p) If issued the **Director** will file in the Land Title Office a notice in the form prescribed for that purpose, excluding **Uplands Siting and Design Approvals**
- q) If necessary, the **Applicant** may subsequently apply to the **Director** for a minor amendment or extension of the permit in accordance with the Bylaw.
