

Henderson Park

Par 3 Golf Course

COVID-19 Guidelines for Use

The health and safety of our public and staff is a top priority. It is everyone's responsibility to help prevent the potential spread of COVID-19. The following protocols will support the efforts to maintain the health and safety of golfers and staff participating:

General:

- If you are sick, please do not use the golf course
- Stay home if you have travelled in the past 14 days or if someone in your household is sick or has travelled in the past 14 days. If you have symptoms, please call 8-1-1 or use the BCCDC self-assessment tool.
- Tee times can only be booked and paid for by registering online at recreationoakbay.ca or by calling Henderson reception.
- No walk on traffic available.
- Tee times will be available to book seven days in advance Thursdays, at 2:00pm with cancellations allowed up to 4 hours prior to tee time. Bookings prior to 10:30am must be cancelled prior to 6:00pm the previous day.
- Golf tee times run in both rain or shine, and there will be no refunds given unless extreme weather conditions are apparent at the time of play.
- Tee time intervals are 15 minutes apart to spread out the increase the physical distance between players.
- Golfers must arrive at the course no earlier than 5 minutes before their tee time. If you arrive late, your tee time will be forfeited.
- One player from each tee time must check in with staff at reception before starting each round. Staff will monitor the golf course to ensure players are practicing social distancing and to confirm player's registration to play.
- Physical distancing is not optional. Please keep 3 metres apart from each other at all times.
- Maintain groups of 4 or less (exception for a family household. Maximum two adults over 19 years and two youth under the age of 19 years). Groups will play as booked in tee times only. No switches or player changes will be allowed, only people booked are allowed to play.
- Clubs will not be available for rental through Henderson Recreation Centre or Golf Course. Players must bring their own equipment. Golfers are encouraged to bring their own hand sanitizer and use it each time they touch a surface.
- Your gear is your own. No sharing of any golf equipment and/or snack, sunscreen, etc.
- One ball play only. Please do not hit multiple balls on one hole.
- Leave the flag in while putting. Do not touch the flag. The cup is upside down and your ball will tap the pin with a small drop inside the cup. Please use a club to remove ball. This is to prevent golfers from removing the flag or reaching in to retrieve their ball.
- Do not shake hands or high five to celebrate, a tip of the cap will do.
- Adhere to golf course codes of conduct which includes no play through other groups.
- The putting green and every other driving stall will remained closed to allow for proper distancing.
- All public spaces and common touch points will be cleaned regularly.
- Washroom access, located by the 6th/7th hole at Kiwanis Park, is open 6:00am-8:00pm with a maximum of one person allowed at a time.
- Once golfers are finished their game, they must head directly to their vehicle to help maintain physical distance. As such, loitering in the parking lot before and after a game will not be allowed.

People not adhering to this protocol risk the closure of the facilities and will be asked to leave the premises.

Oak Bay Parks, Recreation and Culture follows the direction of the public health authorities.
