

EMPLOYMENT OPPORTUNITY

Labourer

Regular Full Time (\$27.35/hour – 2021 Rates) Pay Grade 1

The District of Oak Bay is a picturesque seaside community located within the Greater Victoria Region, with a population of +18,000. While offering all the amenities of a large metropolitan urban centre, Oak Bay has succeeded in maintaining all the peacefulness and charm of a small town. Residents enjoy an exceptional quality of life, with miles of spectacular West Coast shoreline, brilliant beaches, parks and greenspace, quaint tree-lined streets and vibrant, boutique villages just beyond their doorsteps.

This is routine and varied manual work involving the performance of unskilled services, maintenance, repair and construction tasks, which can be carried out with no formal training beyond demonstration and orientation on the job. Employees in this class work under close supervision when their work is part of a task or project involving more skilled employees, and may work with little direct supervision, but subject to general instruction and checking, for routine services and maintenance tasks.

Our ideal candidate has sufficient education to read, write and understand basic arithmetic concepts and operations, the ability to work cooperatively as part of a team and have a background that will include a demonstrated aptitude for construction and maintenance work in a public works environment, and an appropriate valid and subsisting BC Driver's License. This position is represented by CUPE Local 374.

If your qualifications and experience align with our needs, we want to hear from you! Please apply in confidence by **4:30pm on August 13, 2021** with a resume and cover letter to:

oakbayjobs@oakbay.ca

A detailed job description can be found on our website at <https://www.oakbay.ca/municipal-hall/employment-volunteering/employment>, which outlines in greater detail the key accountabilities and required qualifications.

*We thank you for your interest in working for the District of Oak Bay.
Only those selected for an interview will be contacted.*
