

JOB OPPORTUNITY – FULL TIME

(This is a Union position)

POSTING #2021-19A

FACILITY MAINTENANCE PERSON

Full Time-Night Shift

Oak Bay Recreation Centre

This is custodial and maintenance work involving the operation, cleaning, and maintenance of the Oak Bay Recreation Centre together with associated buildings and equipment. The Employee in this position carries out custodial and cleaning duties, as well as maintenance functions involving ice making, refrigeration, building heating, pool heating and filtration equipment. Duties vary according to the specialized area and activity assigned, the season and facility activity needs.

Qualifications:

- At least three years' experience in custodial tasks and building maintenance in a recreation facility or similar setting including ice making, building heating, air support structures, pool heating and filtration equipment, and the operation of various equipment;
- Level I and II Pool Operators Certificate;
- Valid Refrigeration Operator Certificate recognized under the BC Pressure Vessels and Boilers Act or equivalent;
- Building Service Worker Level 1;
- Current CPR C certificate;
- a valid BC Driver's License (Class 5);
- Provision of a current criminal record check.

Rate: \$29.49-\$30.78 per hour (with Refrigeration Operators Certificate or equivalent, Pool Op I & II, Building Service Worker Level I, CPR C)

\$28.40-\$29.08 per hour (without Refrigeration Operators Certificate or equivalent, with Pool Op I & Building Service Worker Level I, CPR C)

Hours: Four - ten hour shifts; 40 hours per week, 10:00 pm – 8:00 am

(Benefits include Municipal Pension Plan, Medical, Extended Health and Dental coverage, vacation and sick entitlement.)

NOTE: *It is a requirement of the position that applicants either possess a Refrigeration Operator Certificate or equivalent, or, as condition of employment, the successful applicant will be required to obtain certification within a specified period of time, at their own cost.*

This posting will remain open until suitable applicants are found.
