Summer CAMPS

What you should know about Summer Camps at Recreation Oak Bay:

Leadership: Camp leaders are selected for their experience, abilities and dedication to provide every camper with a safe, fun summer camp experience.

A Safe Place for Children: Campers are fully supervised throughout the day. Camp leaders are trained in First Aid and CPR, have completed a criminal record check and received a minimum of sixteen hours of training. Parents/guardians are required to sign campers in and out of camp each day and provide current medical and emergency information for their camper.

Camp Schedules: For most camps, you will be emailed a schedule and parent information letter the Wednesday before the camp begins. Schedules and the parent letter will indicate items your camper should bring to camp each day.

Please note: schedules are subject to change.

The First Day of Camp: Please be prepared to stay a few minutes on the first day of camp to complete sign-in, meet your camper's leaders and complete any outstanding paperwork.

Poor Weather: Camps run rain or shine unless you are notified otherwise.

Epi-pens & Severe Allergies: If your child carries an Epi-pen, an Emergency Medical Information Form must be completed before the first day of camp. Forms are available at reception.

Please refrain from sending "products with nuts" to camp.

Extra Support Needs: If your child is eligible for a support staff through funding by Supported Child Development please contact the Licensed Care Programmer at 250-370-7902 to arrange for support staff PRIOR to registering for a camp.

Age Requirements: • All full-day camps require campers to have completed kindergarten before summer 2020 in order to register.

In order to register for school-aged or youth camps, children must meet the minimum age requirement prior to December 31, 2020.
No Exceptions!

Questions and Concerns: Please contact reception at Oak Bay 250-595-7946 or Henderson 250-370-7200 and a receptionist will be happy to answer your questions or have a camp supervisor contact you.

Your feedback is important to us! Email surveys are sent out for each week your child attends camp. Feel free to fill them out weekly or if your time is restricted just fill out one at the end of the summer.
