COVID-19 Guidelines for Use

The health and safety of our public and staff is a top priority. It is everyone's responsibility to help prevent the potential spread of COVID-19. The following protocols will support our efforts to maintain a safe environment for Tennis Players:

General:

- Do not use the tennis courts if you are sick.
- Stay home if you have traveled in the past 14 days OR if someone in your household is sick.
- Keep 2 metres apart from each other at all times.
- Do not loiter in the parking lot before or after your game.
- When waiting to play line up outside of the courts to ensure physical distancing.
- Patrons are encouraged to bring their own hand sanitizer for use before, during and after their match.
- All players' names must be provided at the time of court reservation. It is the patron's responsibility to ensure that all names are provided accurately when booking a court.
- Recreation Oak Bay staff will periodically monitor the tennis courts to ensure players are practicing social distancing during the court booking times.

On the Court and During Play

- No physical contact between players, the net or another player's equipment.
- Benches and garbage cans are not available.
