IMPORTANT INFORMATION

Confirmation of connection to city storm sewer required prior to the issuance of a plumbing permit for storm and/or sanitary sewer. Dye test forms, which must be signed by the owner can be found [here](#).

CRD Backflow Preventer Test Report must be submitted prior to scheduling a final inspection.

If you are proposing to install an irrigation system on private property, please contact the Engineering Department at engineering@oakbay.ca to determine application requirements for a Boulevard Encroachment Agreement.
