VOLUNTEER BOARD AND COMMITTEE APPOINTMENTS

Oak Bay Municipal Council welcomes expressions of interest from residents who wish to volunteer their time as members of the following Council appointed boards and committees.

Appointments are typically made annually in December for terms of one or two years each and may be renewed for additional terms.

Oak Bay Parks and Recreation Commission

The Commission is a nine member body responsible for overseeing recreation programs and parks within the Municipality, and providing policy direction to a professional management staff. A demonstrated interest in community service, plus an appreciation of the financial and operational complexities of parks and recreation management would be desirable qualifications.

Residents interested in serving on the above noted boards and committees should submit letters to the undersigned, including any pertinent information that may assist Council in making the appointments, by **4:30 pm on Wednesday November 7, 2012.**
