

INVITATION TO OPEN HOUSE

Secondary Suites Study

Open House

The District of Oak Bay is working on a Secondary Suites Study as part of a broader housing framework. It is intended to review the options for secondary suites as one form of housing within the community, while achieving the goals and objectives of the Official Community Plan.

The Study will look at policies and regulations that could be put in place to allow secondary suites, for example, floor area, parking, occupancy, inspection and licensing.

Do You....

- Live in a secondary suite?
- Own a secondary suite?
- Want to have a secondary suite in your home?
- Live on a street that has secondary suites?
- Have an interest in this study?

Please Join Us

...at our upcoming Open House to learn more about the secondary suite study and offer your comments. Find out about the opportunities for you to become involved and provide input, including our online questionnaire, which you can also complete at the Open House.
