

The Access 2 Card

A program of Easter Seals Canada

Your passport to more affordable access to over 500 entertainment and cultural venues across Canada!

The Access 2 Card is for people with permanent disabilities who require a support person at participating venues.

The personalized card reduces the financial burden for the cardholder by granting one free or discounted entry to the cardholder's support person while the cardholder pays regular admission price.

The individual with a permanent disability presents their Access 2 Card at the venue.

The Access 2 cardholder pays the regular admission price for the venue.

The Access 2 cardholder receives one free/discounted admission to the venue for their support person.

For more information on how to apply for an Access 2 card and a list of all participating venues across Canada, visit www.access2card.ca

Easter Seals is a national charitable organization with close to 100 years of community service in Canada.

We strive to help ensure that everyone living with a disability has access to the essential equipment, programs, services and support they need to reach their full potential and be #UNSTOPPABLE™
