# 2026 Arts Alive OAK BAY

## Arts Alive is Oak Bay Parks, Recreation & Culture's annual public outdoor sculptural exhibition.

Now in its tenth year, Arts Alive has transformed Oak Bay into an open-air gallery, showcasing the imagination and skill of Canadian artists working in metal, stone, glass, ceramic, mosaic, and mixed media. Every May, sculptures appear across the community, framing ocean views, animating parks, brightening streetscapes, and sparking conversation in gathering places.

These works are generously loaned by the artists, who are supported financially by local businesses, individuals, and community groups. A volunteer arts jury of Oak Bay residents reviews submissions annually.

Arts Alive builds on years of vibrant installations, leaving behind a charming permanent public art collection. This vision was championed by Barbara Adams, Oak Bay's Arts Laureate from 2014 to 2020, whose leadership helped to establish Oak Bay as a destination for arts and culture.

## Get Involved!

### VOTE

Throughout the exhibition, residents and visitors are invited to vote for their favourite sculpture. The three most popular works are considered for the People's Choice Award, with one sculpture considered for purchase by the District of Oak Bay, adding to a growing legacy of permanent public art.

### DONATE

Help us to continue to increase the livability and artistic richness of our community by donating to the Mayors' Arts Legacy Fund, which seeks to make art accessible in public places, and builds a legacy for future generations.

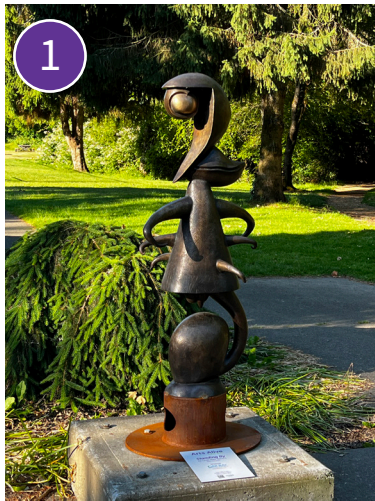

### SPONSOR

For \$1,600/year, you or your business can sponsor a sculpture and support the Arts Alive Program.

### PURCHASE

All of the current sculptures are for sale. (August 2027 possession date).
