1. Sign in.

If you have an iNaturalist account, login.

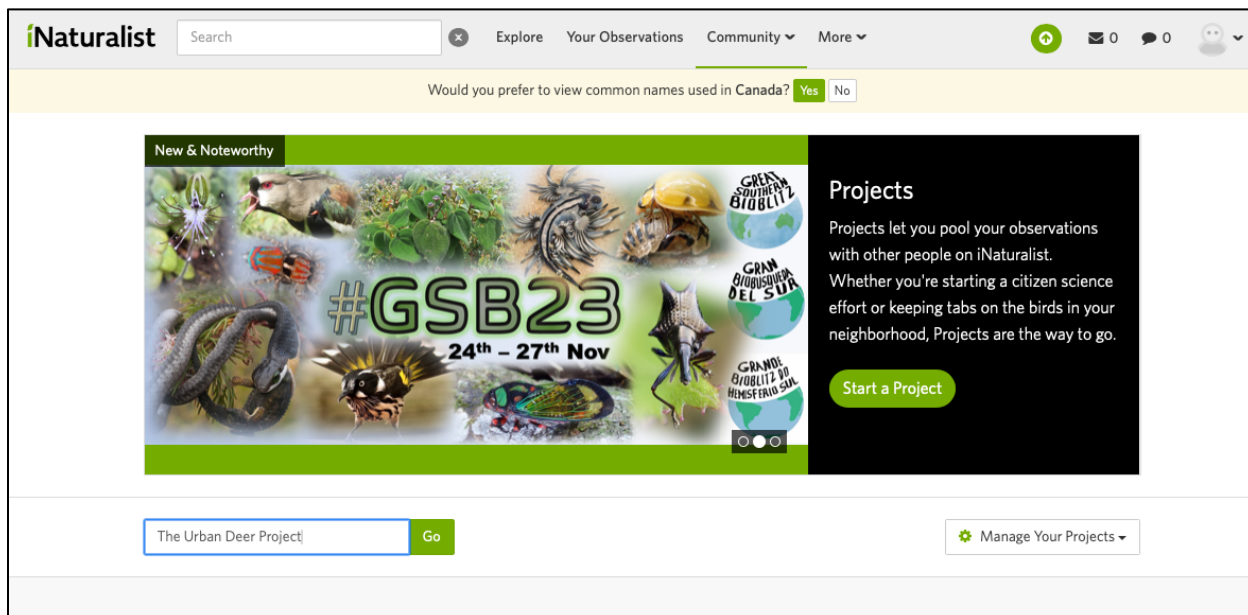

If you do not, log in with your Gmail login credentials or you can make an iNaturalist account.

2. Select Projects.

Once you are logged in, navigate to the ribbon and hover over the *Community* drop-down menu and click *Projects*.

3. Type *The Urban Deer Project* in the search bar

HOW TO JOIN THE INATURALIST URBAN DEER PROJECT

4. Select the project.

The project thumbnail should be a deer with orange ear tags

The screenshot shows the iNaturalist website's search results page. At the top, there's a navigation bar with the iNaturalist logo, a search bar, and links for Explore, Your Observations, Community, and More. Below the navigation bar, the page title is « Projects » and the search bar contains 'The Urban Deer Project'. A red box highlights the search result for 'The Urban Deer Project', which includes a thumbnail of a deer with orange ear tags and a description: 'Have you seen deer wearing collars and ear tags near Oak Bay and Esquimalt? Those deer are part of the Urban Deer Project run by the UWSS (Urban Wildlife Stewardship Society) and ACME Lab (Applied Conservation Macro Ecology) at UVic. You can help! - If you see a tagged deer, take a photo (preferably...'.

5. Join the project.

The screenshot shows the iNaturalist project page for 'The Urban Deer Project'. The page features a large background image of a deer in a snowy forest. On the right side, there's a green sidebar with the title 'About' and a 'Join' button highlighted with a red box. Below the 'Join' button, it says '4' with a person icon. The sidebar also contains a description of the project: 'Have you seen deer wearing collars and ear tags near Oak Bay and Esquimalt? Those deer are part of the Urban Deer Project run by the UWSS (Urban Wildlife Stewardship Society) and ACME Lab (Applied Conservation Macro Ecology) at UVic. You can help! - If you see a tagged deer, take a photo (preferably...'.

You are now part of the project!
